

■ Basic Design: Personal Expense Tracker

1. Login / Signup Page

- Centered card (max-w-sm, rounded-xl, shadow-md).
- App name at top (simple text or icon).
- Email + Password fields.
- Buttons: Login / Signup.

2. Main Layout

- Top Navbar (fixed): Left → App logo/title, Right → Profile avatar (logout dropdown).
- Sidebar (optional for desktop): Dashboard, Expenses, Categories, Reports (if admin).
- Main Content Area: White background, content in cards.

3. Dashboard

- Summary card: 'Total this month: €1234'.
- Recent Expenses: Table with last 5 items.
- Category Chart: Simple pie/donut chart.

4. Add Expense Form

- Modal or inline card.
- Fields: Amount, Category (dropdown), Date, Notes.
- Save button (primary color).

5. Expenses Page

- Table columns: Date | Category | Amount | Notes | Actions (edit/delete).
- Above table: Filter dropdown (category) + Date range picker.

6. Reports (Admin only)

- Simple chart: expenses grouped by category.
- Filter: user dropdown (select which user's data).

7. Colors & Style (keep minimal)

- Background: gray-50.
- Cards: white, rounded-lg, shadow-sm.
- Primary color: Tailwind indigo-600 or emerald-500.
- Text: gray-800 for headings, gray-600 for details.

Design Summary

- Navbar (top, sticky)

- Sidebar (left) on desktop, collapses on mobile.
- Content cards stacked with white backgrounds.
- Forms & tables are simple, no fancy animations needed.
